WSP USA INSPECTION SERVICES DISASTER AWARENESS REPORT

May 6, 2021

## Tornado Activity

### Mississippi

- Weather officials confirmed that 12 tornadoes touched down in Mississippi Sunday.
- The Mississippi Emergency Management Agency said Wednesday that no fatalities were reported to the agency from severe weather in the state May 2 and May 4.
- There has been significant property damage to parts of Mississippi and it's working with county EMA directors to complete damage assessments.
- Based on initial assessments of the impacted areas, counties estimate that approximately 100 homes were damaged statewide as a result of the severe storms on May 4, 2021.
- However, as of this morning, only two counties had officially submitted preliminary damage reports to the Mississippi Emergency Management Agency:
  - Rankin – 4 homes affected
  - Warren – 7 homes affected
- The following counties have submitted official preliminary damage reports from the severe weather on May 2, 2021 to the Mississippi Emergency Management Agency:
  - Hinds – 24 homes affected
  - Lee – 65 homes affected; 2 businesses affected
  - Pontotoc – 10 homes affected; 1 business affected
  - Yazoo – 76 homes affected; 4 businesses affected

Tornado damage extensive in Jackson, MS neighborhoods.

## Declaration Activity

### Georgia (Public Assistance only)

- President Biden declared a major disaster in Georgia Wednesday in response to two days of destructive and deadly storms back in late-March.
- North Georgia experienced severe weather, including tornadoes, on March 25 and 26, prompting the President to order Federal assistance to supplement local recovery efforts in the affected areas.
- Funding will be available to state, tribal, and local governments, along with some private non-profit organizations, for emergency work and repair and replacement of facilities damaged by the deadly storms that affected Coweta, Fannin, Gilmer, Heard, Lumpkin, Pickens, Rabun, and White counties.
- Additional designations may be made at a later date if requested by the state and warranted by the results of further damage assessments.
