WSP USA INSPECTION SERVICES DISASTER AWARENESS REPORT

December 11, 2023

## Severe Weather & Tornado Activity

### Tennessee

- Emergency workers and storm-survey teams spread out across Middle Tennessee on Sunday after the greater Nashville region was pummeled by an estimated 13 tornadoes late Saturday, according to the National Weather Service.
- Officials said six people died Saturday night in Clarksville and Madison and 83 people were reportedly transported to area hospitals — 62 from Clarksville and 21 in the Nashville area.
- The National Weather Service confirmed storm survey findings Sunday evening, with the Clarksville tornado rating as an EF-3, with winds of 150 mph. The Madison/Hendersonville/Gallatin tornado received a preliminary rating of EF-2, with winds of 125 mph.
- Eleven Middle Tennessee counties experienced various levels of damage from the severe storms and tornadoes that battered the state on Saturday night. Affected counties include Cheatham, Davidson, Dickson, Gibson, Montgomery, Robertson, Stewart, Sumner, Trousdale, Weakley, and Wilson counties.
- Nine of those counties were likely hit by one or more of 13 tornadoes that moved through the region, according to preliminary data from Tennessee Emergency Management Agency.
- The Montgomery County Emergency Management Agency reported Sunday that Clarksville has 65 structures with minor damage, 339 with moderate damage and 271 with major damage, making them uninhabitable. There are 91 structures that are totally destroyed, based on the latest assessment from EMA. The vast majority of these structures are residential homes. Numbers are expected to rise as assessments continue.
- Tennessee Gov. Bill Lee has issued a "Level 3" state of emergency declaration for the state of Tennessee, in light of widespread tornado and severe storm damage on Saturday. A Level 3 declaration is considered a "serious emergency or minor disaster," according to the Tennessee Emergency Management Agency.
