WSP USA INSPECTION SERVICES DISASTER AWARENESS REPORT

March 3, 2022

## Wildfire Activity Jim Fire, California

- Firefighters will be working through the night and Thursday, monitoring and constructing containment lines in order to limit the damage of a rapidly-moving wildfire that broke out in the Cleveland National Forest near the Riverside-Orange County line that has consumed approximately 533 acres, according to a tweet from the Orange County Fire Authority
- The wildfire has not threatened any homes or other structures so far, fire authorities said.
- The Jim Fire broke out at approximately 11:20 a.m. Wednesday on the Trabuco Ranger District in the Holy Jim Canyon area, according to an incident report from the National Wildfire Coordinating Group. U.S. Forest Service firefighters responded with fire engines, hand crews, and air resources, assisted by the Orange County Fire Authority and Cal Fire resources.
- The brusher was burning near the scene of the 2018 Holy Fire that scorched more than 23,000 acres and forced evacuations in multiple communities.
