WSP USA INSPECTION SERVICES DISASTER AWARENESS REPORT

November 1, 2022

Tropical Activity

Atlantic – Tropical Storm Lisa

- Tropical Storm Lisa was becoming better organized on Tuesday in the western Caribbean, according to AccuWeather meteorologists.
- The storm, the 12th named system of the 2022 season, is forecast to become a hurricane prior to its expected landfall in Central America on Wednesday.
- As of 8 a.m. EDT Tuesday, Lisa was located about 220 miles south of Grand Cayman Island and 480 miles east of Belize City.
- Lisa's maximum sustained winds were 45 mph, and the system was moving to the west at a speed of 14 mph.

Hurricane Ian Recovery

Florida

- It's been about a month since Hurricane Ian made landfall in Florida. As clean-up efforts in the state continue, the hardest-hit communities are still reeling.
- More than \$1.62 billion in federal grants, disaster loans and flood insurance payments has been provided to the state of Florida and households to help survivors jumpstart their recovery after Hurricane Ian.
- FEMA has provided \$669 million to households and \$322 million to the state for emergency response, while the U.S.
- Small Business Administration has provided \$387 million in disaster loans and the National Flood Insurance Program has paid \$244 million in claims.
- The number of deaths attributed to Hurricane Ian continues to rise across the state as recovery efforts continue in southwest Florida. The Florida District Medical Examiners confirm the deaths of 125 people have been related to Ian.
- Lee County will resume normal toll operations on two of its three bridges (Cape Coral and Midpoint) beginning at 6 a.m. Tuesday, Nov. 1.
- No tolls will be collected on the Sanibel Causeway until further notice.
- Sanibel Causeway - residents allowed to cross onto the island from 6 a.m. to 9 p.m. daily. Proof of residency required.
- FEMA is providing travel trailers and larger manufactured housing units to eligible households in six counties: Lee, Charlotte, Collier, DeSoto, Hardee and Sarasota.
- Survivors can visit one of 22 Disaster Recovery Centers operating in Lee (two locations), Charlotte, Collier, DeSoto, Brevard, Flagler, Glades, Hardee, Highlands, Hillsborough, Lake, Manatee, Okeechobee, Orange, Osceola, Polk, Putnam, Sarasota, Seminole, St. Johns and Volusia counties. More centers are planned to open in the coming days.
